

## A colourful family Christmas with DesignedMade

DesignedMade produces a collection of homewares that represents the best of British design and manufacturing. Every product is manufactured in Britain using local companies and state-of-the-art technology in harmony with traditional techniques. The strong, graphic aesthetic of these contemporary designs ensures that they make a fantastic addition to any stylish interior.

### DesignedMadeforCelebration

The attention to detail involved in the design, manufacture and packaging of the DesignedMade family makes them a more thoughtful gift than most, and with prices starting at £15 it's easy to pick up a unique piece of British craftsmanship. Take your pick from the powder-coated, steel fruit bowls, available in a selection of eye-catching primary hues (perfect for adding a splash of colour to a festive dining table), the Op-art inspired Cubic coasters or the striking Tarantula Tea Light (ideal for Christmas candles).

## Notes to editors

DesignedMade was established in March 2009 by product designer Jonathan Krawczuk with the intention of producing a range of simple and striking products, designed and made in Britain. The brand is committed to supporting the UK craft and manufacturing industries and represents an evolution of Britain's proud industrial heritage – bringing together the ideas and vision of a younger generation with the skills and expertise of traditional manufacturers. DesignedMade develops projects that seamlessly blend design, production, manufacture and packaging, resulting in products that celebrate the skill, knowledge and dedication involved in every stage of their creation.
